A Report on “Cycle Rally (Save Energy)”

NSS Unit Name/College Name: *A.V. PAREKH TECHNICAL INSTITUTE, RAJKOT*

Event NAME: “*Cycle Rally (Save Energy)*”

Event Date and Time: *01/04/2023*

Description of the Event:

An Awareness cycle rally regarding “Save Energy” was organized by A.V.P.T. Institute under G20 Mission. The initiative was to spread awareness against the depletion of non-renewable resources and to save energy. They spread messages such as, saving energy means decreasing the amount of energy used while achieving a similar outcome of end use, using less energy has lots of benefits. This will also help wean ourselves off fossil fuels and not only the students but also their parents contributed their part towards this cause by riding a bicycle. The event was organized on 01/04/2023 and total 27 students were participating in this event.
