Extra-curricular Activity: Poster Presentation

The "Vote for a Better India" poster presentation by Diploma Biomedical students aims to raise awareness about the importance of voting and its role in shaping the nation's future. It highlights that voting is a powerful way for citizens, especially the youth, to contribute to India's development by choosing leaders who make decisions on crucial issues like healthcare, education, and infrastructure. The presentation emphasizes that every vote counts, encourages students to register, stay informed, and vote, and inspires them to understand that their participation strengthens democracy and drives positive change for a prosperous India.
