## Extra-curricular Activity: National Voter's Day Pledge

National Voter's Day is observed annually on January 25th to celebrate the founding of the Election Commission of India. This day aims to promote voter participation and highlight the importance of exercising the right to vote in a democracy. It also underscores how voters play a crucial role in influencing the nation's future through the democratic process. On this occasion, citizens, especially new voters, take the National Voter's Day Pledge to reaffirm their commitment to democratic principles. As part of this effort, final-year students and faculty members from the Biomedical Engineering department also took the pledge.
