**Brief Report on “Industrial Visit to BALAJI WAFERS”**

**Detail Description of Event:**

One day Industrial Visit to BALAJI WAFERS was organized for 6<sup>th</sup> & 4<sup>th</sup> and 2<sup>nd</sup> semester students on 5/03/2024 by Instrumentation & Control department. 90 Students with 4 faculties visited the company. Students & Faculties reached at 10 AM @ Balaji Wafers. At the beginning HR manager briefly give information about BALAJI WAFERS.

The main reason behind this industrial visit was to let students know things practically through interaction, working methods and employment practices. Moreover, it gives exposure from academic point of view. It also provides students a good opportunity to gain full awareness about industrial practices.

Balaji Wafers Pvt Ltd, is One of India’s leading snack-food manufacturers and distributors. Students visited fully automated plant of wafers production, where the students show storage, manufacturing as well as packing and dispatching functions of wafers plant.

After the plant visit Mr. Chandubhai Virani and Mr. Kanubhai Virani, Directors of Balaji Wafers, interacted with the students give insightfulness of their journey. Students asked so many questions related to production, manufacturing, marketing, employability, entrepreneurship and gain the knowledge through this question answer session. Overall it was a great experience for students.
