Event Report

Brief Report on “National Voter’s Day Pledge.”

Detail Description of Event:

National Voter's Day is celebrated annually on January 25th to mark the foundation day of the Election Commission of India. It is a day dedicated to encouraging active voter participation and spreading awareness about the importance of exercising the right to vote in a democracy. The day also highlights the role of voters in shaping the nation through the democratic process. On this occasion, citizens, especially new voters, take the National Voter’s Day Pledge, reaffirming their commitment to uphold the democratic values of the country. As a part of this campaign Final year students & Faculties of instrumentation & Control Engineering department took pledge.

Outcome of the event:

Promoting Awareness: It educates citizens about their voting rights and responsibilities, emphasizing that each vote contributes to the democratic process.

Encouraging Participation: The pledge inspires citizens, especially first-time voters, to participate actively in elections, ensuring broader representation in governance.

Fostering Democracy: The pledge reinforces the principles of democracy, equality, and fairness by urging voters to act without bias or influence.
