Event Report

Brief Report on “Quiz Competition on theme Swachh Bharat Mission.”

Detail Description of Event:

The quiz competition on the **Swachh Bharat Mission** was organized on 30th September 2024 @1:00PM to 2:00 pm by Instrumentation & Control Engineering Department & NDLI CLUB AVPTI aiming to raise awareness about cleanliness, sanitation, and hygiene. The event was part of the broader efforts to support the goals of the Swachh Bharat Mission, a national initiative launched by the Government of India in 2014 to eliminate open defecation, improve solid waste management, and promote cleanliness in both urban and rural areas.

The primary objective of the quiz competition was to engage students and participants in learning about the Swachh Bharat Mission, its objectives, and the role every citizen plays in maintaining cleanliness. The competition also intended to foster a sense of responsibility among participants to contribute to a cleaner and healthier India.

The competition saw enthusiastic participation from students. Total 45 Students of SEM 1 participated in the event. The event was coordinated by Ms. Ripal M Pathak, Lecturer, IC Department.

Outcome of the event:

The quiz competition served as an engaging and educational platform to promote the message of Swachh Bharat. It helped participants better understand the importance of cleanliness and sanitation, not only in public spaces but also in daily personal hygiene practices. The event inspired students to actively contribute to the national mission and be agents of change in their communities.
