Faculty Development Program (FDP) on AI and Digital Tools in Education
Organized by Electronics & Communication Engineering Department, A.V.
Parekh Technical Institute, Rajkot
Date: 20th January 2025 – 25th January 2025

Introduction

The Electronics and Communication Engineering Department of A.V. Parekh Technical Institute, Rajkot, successfully organized a six-day Faculty Development Program (FDP) on "AI and Digital Tools in Education" from 20th January to 25th January 2025. The program was conducted under the ATAL initiative, focusing on the integration of artificial intelligence (AI) and digital tools in modern education. With a strong emphasis on enhancing teaching methodologies, the FDP provided a platform for faculty members to engage with cutting-edge AI applications and technological advancements.

A total of **200 participants** from various academic institutions actively engaged in this FDP, making it an enriching and interactive journey. The event saw a distinguished lineup of **13 expert-led sessions**, including two sessions conducted by esteemed international speakers, ensuring a global perspective on AI in education.

Inauguration Ceremony

The FDP commenced with an inaugural session graced by distinguished dignitaries:

- **Dr. P. P. Kotak**, Principal, AVPTI, Rajkot (Patron of the FDP)
- **Dr. S. N. Sampat**, Head of EC Engineering Department, Morbi (Keynote Speaker)
- **Dr. P. K. Faruki**, Head of IT Department, AVPTI, Rajkot (Keynote Speaker)
- **Prof. G. V. Parmar**, Head of EC Engineering Department, AVPTI, Rajkot (Convener of FDP)
- **Prof. P. C. Dalsania** and **Prof. B. S. Bhatt**, Coordinators of the FDP

Dr. Kotak emphasized the growing importance of AI in education and how educators can harness digital tools to enhance learning outcomes. The keynote speakers elaborated on the advancements in AI and its applications in the academic domain. The inauguration set the tone for an insightful and enriching experience for all participants.

Sessions and Expert Talks

The FDP featured a series of insightful **13 expert-led sessions**, covering various aspects of AI and digital tools in education. Renowned speakers from academia and industry led these sessions, providing participants with theoretical insights and hands-on experience. Some of the key topics covered included:

The sessions provided participants with hands-on experience and valuable insights into how AI can be leveraged for teaching, assessment, and research. Each expert brought unique perspectives, demonstrating real-world applications of AI in education. Additionally, interactive Q&A sessions allowed participants to discuss challenges and future opportunities in implementing AI-driven solutions.

Apart from the expert talks, the FDP included engaging workshops where participants explored various AI-powered educational tools. These practical sessions helped educators gain first-hand experience in utilizing AI for curriculum enhancement, automated assessments, and personalized learning pathways. Participants expressed great enthusiasm and appreciation for these hands-on experiences, highlighting their applicability in day-to-day teaching methodologies.

The two international sessions provided a **global perspective** on AI in education, enriching participants with insights from different education systems and best practices worldwide. These sessions helped broaden the scope of understanding AI's role in shaping the future of education.

Valedictory Function & Conclusion

On 25th January 2025, the FDP concluded with a valedictory session where the Chief Guest, **Dr. K. G. Maradia**, Principal, GEC Rajkot, addressed the participants and highlighted the need for continuous learning and adaptation to emerging technologies.

Prof. P. C. Dalsania delivered the concluding remarks, summarizing the key takeaways from the FDP and acknowledging the efforts of the organizing team. The participants provided positive feedback, appreciating the quality of sessions and the opportunity to interact with experts. Many expressed their intent to implement AI tools in their respective institutions, making this FDP a catalyst for educational transformation.

Acknowledgments

The successful execution of this FDP was made possible due to the dedicated efforts of the organizing committee:

- **Coordinators:** Prof. P. C. Dalsania, Prof. B. S. Bhatt
- **Team Members:** Prof. B. B. Kathiriya, Prof. K V. Shingala, Prof. R. R. Dudani, Prof. D. M. Kantaria, and Prof. K. D. Bhuchra

Their efforts in handling technical arrangements, attendance management, and recording maintenance ensured a smooth and enriching learning experience for all participants. The FDP was a significant step towards equipping educators with AI-driven tools and methodologies, fostering innovation in teaching and learning.

The Electronics & Communication Engineering Department, AVPTI, Rajkot, extends its heartfelt gratitude to all the speakers, participants, and organizing members for their unwavering support and dedication in making this FDP a grand success. With 200 participants actively engaging in discussions, workshops, and hands-on training, this FDP has set a strong foundation for future initiatives in AI-driven education.
