

A.V.PAREKH TECHNICAL INSTITUTE

REPORT ON

“Slogan Competition on Climate Change”

Sep 2022

'Azadi na Amrut Mahotsav' is a series of events organized by the government of India to commemorate the 75th anniversary of Independence. The mahotsav will be celebrated as peoples' movement across the country.

Gymkhana committee / N.S.S committee had organized a **Slogan Competition on Climate Change** for the students of all the departments to spread awareness on effects of Climate change on lives of people.

NAME OF EVENT: Slogan Competition on Climate Change

EVENT DETAILS:

A Slogan Competition on Climate Change was organized at an Institute level wherein students had to frame a Slogan on Climate Change. A Google form was circulated for participation wherein students had to enter their profile details and the Slogan framed by them. Nearly 44 students had participated in this competition and first three ranks were given by the Coordinators for the best slogans.

DATE: 17-9-2022 to 20-9- 2022

THEME: Public Awareness Program

VENUE: - Social Media

EVENT CORDINATOR: - Mr. D.K.Kataria, Ms. K.V.Shingala

Brief description of event:

- Climate change refers to long-term shifts in temperatures and weather patterns. These shifts may be natural, such as through variations in the solar cycle. But since the 1800s, human activities have been the main driver of climate change, primarily due to burning fossil fuels like coal, oil and gas. If nothing is done to minimize this climate change, then there is a risk of intense droughts, water scarcity, severe fires, rising sea levels, flooding, melting polar ice, catastrophic storms and declining biodiversity in the future.
- Hence, an attempt was made to bring awareness in the youth by coordinators explaining them about what exactly is Climate change and then a slogan competition on Climate change was organized for the students. Also, useful material was also shared to students for better understanding of causes and cure of Climate change.
- A Google form was circulated for participation wherein students had to enter their profile details and the Slogan framed by them. Link of Google form was shared on 17-9-2022 and students were allowed to fill the form till 20-9-2022.
- First three rankers where given the certificates.

Outcome of Event:

- Organizing such events bring awareness among students about the importance to be given to climate and environment of the planet we live in.
- Students get to understand the main causes of climate change and the precautions to be taken to minimize its effects as much as possible.

Google Form & Responses:

કલાયમેટ ચેન્જ સ્વોગન સ્પર્ધા

Students willing to participate have to fill this form and submit a Slogan on topics such as Climate Change, Environment, Forest, Biodiversity and waste management.
