Instrumentation & Control Department
Event Report

Brief Report on “Vibrant Gujarat Pledge.”

Detail Description of Event:

As a part of Vibrant Gujarat 5P Campaign Instrumentation & Control Department students & Faculties took pledges of Pro-Planet People. **Pro Planet People (PPP)** are individuals committed to sustainable living, mindful of their impact on the environment, and dedicated to preserving the planet for future generations. Their actions focus on reducing their ecological footprint and promoting a healthier, more sustainable world through responsible choices in everyday life. Also students are motivated to follow this Pro Planet Practices.

Outcome of the event:

Pro Planet People pledge to live mindfully and responsibly by adopting eco-conscious practices that promote sustainability and environmental stewardship. Their commitment is not only about personal lifestyle changes but also about influencing others to take action toward creating a greener, healthier planet. Every small step contributes to the larger goal of protecting Earth for current and future generations.
