Proceedings of the Event

The program commenced with a formal welcome of the dignitaries. Shri G. V. Parmar, Principal of AVPTI, presided over the session and emphasized the importance of educational reforms in shaping the nation's future.

The keynote address was delivered by Prof. Sanjay Bhayani, who elaborated on the core principles of NEP 2020, including multidisciplinary education, flexibility in curriculum, skill development, and research orientation. He also highlighted practical challenges such as infrastructure readiness, faculty training, curriculum restructuring, and policy execution at ground level.

Dr. A. S. Pandya and Dr. Tushar Pandya shared their valuable insights on school and technical education perspectives under NEP 2020 and encouraged institutions to proactively adopt reforms.

The session was interactive, with participants engaging in thoughtful discussions and raising queries regarding policy implementation and institutional preparedness.

Key Highlights

- Detailed explanation of NEP 2020 framework.
 - Discussion on institutional challenges and solutions.
 - Emphasis on character building and nation-building through education.
 - Active participation from faculty and students.
-

Outcome:

The seminar concluded successfully with a vote of thanks expressing gratitude to the dignitaries, organizers, and participants. The session proved to be highly informative and inspiring, motivating educators and students to contribute towards effective implementation of NEP 2020.

The event reinforced the vision:

“From Education to Knowledge, From Knowledge to Character, and From Character to Nation Building.”
